## Evarts High School Alumni & Scholarship Association, Inc.

“Into our second century of educational help

for the Students of Clover Fork”

### Our 28th Annual Reunion

September 2, 3 & 4, 2011

As so many of you are aware, since 1984, our first year of incorporation (As The Evarts High School Alumni Association, Inc.) your association has annually, at graduation time, been able to help hundreds of Evarts High School students, and now Clover Fork students (since EHS’ doors were closed after 2008) with scholarship to help with the ever increasing cost of college and all other post-high school education. We are happy to report, as is set out in more detail elsewhere in this EHS Newsletter, that we were again able to continue ‘your’ help to ‘our’ students, in the Class of 2010. With your continued help, and support, through your dues, donations and contributions of money, and the time and efforts of a lot of unselfish school mates, former teachers and administrators we SHALL continue to do so for years to come.

The fact that ‘we’ were able to continue the work of providing financial aid to students continuing their education is the ‘good’ news of this report, along with the additional note that the ANNUAL REUNION is again set for Labor Day Weekend, at Evarts, Ky., just like always. Almost, anyway. We again won’t be at ‘our’ Evarts High School, but will again be at the ‘School at the Football Field,’ thanks to the gracious cooperation of the fine folks there.

## Our 28th Annual Reunion

Continued from page 1

This year again, as has been the case for at least the last ten years, the main topic of discussion at the Reunion is likely to be, "What's goona' happen to the old 'SCHOOL' as in "Our Evarts High School." Unfortunately, and as has also been the case for the last 10 years or more, the answer is still, "We don't know." There is apparently still some hope that the building will be purchased for community oriented purposes that would allow us to meet annually at "Our Old EHS," and maybe we can get some more information about those possibilities at the Reunion. "COME JOIN YOUR OLD SCHOOL MATES and bring someone with you. See you at Evarts on Labor Day Weekend!

## HELP WANTED

We desperately need people to help us work in areas of registration, etc. If enough people would volunteer, each could work for 1—2 hours and then go back to enjoying the reunion. As it is now, a few people work the entire time and never get to enjoy any of the reunion.

If you are interested in volunteering an hour of your time, please contact Arlene Brown: P.O. Box 166, Evarts, KY 40828, phone 606-837-3517, E-mail: akbrown@windstream.net. Please let her know as soon as possible so work can be completed.
